### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

After a further review of the Brief filed on 12/1/04; it is agreed that there was no prior art found by the examiner that suggested modification or combination with the cited art so as to satisfy the combination of all the limitations in claims 1413, 1500, 1583, 1688, 1709 and 1751.

The prior art of record, taken alone or in combination, fails to disclose or render limitations **"a processor coupled to the measurement device and configured to determine a first property, a second property, and a third property of the specimen from the one or more output signals during use, wherein the first property comprises a critical dimension of the specimen, wherein the second property comprises a presence of defects on the specimen, wherein the defects comprises macro defects on the back side of the specimen, wherein the defects further comprise micro defects or macro defects on a front side of the specimen, wherein the specimen comprises a wafer, and wherein the third property comprises a thin film characteristic of the specimen"**, in combination with the rest of the limitations of claims 1413, 1500, 1583, 1688, 1709 and 1751.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
